non sting wipes

Liftplus® Citrus medical adhesive remover

Instructions for Use: Use on intact skin only. Peel back edge of the adhesive. Apply the wipe between the skin and the adhesive whilst peeling the adhesive away from the skin. Remove residual adhesive left on the skin by wiping gently with a fresh wipe. Allow product to evaporate completely before covering.

liftplus* citrus will not affect adhesion of replacement appliance or dressing and it should not irritate sore skin. Do not reuse wipes. This product is suitable for use in children over 1 month old, adults and elderly.

Contains: Hexamethyldisiloxane, aloe vera and lemon fragrance.

Warnings and precautions: For external use only. Do not use if individual sachet is damaged or opened. Do not use if sensitive to any of the ingredients.

Avoid contact with eyes – if contact occurs flush with water. If skin irritation occurs, cease use and flush with water.

Highly flammable liquid and vapour. Keep away from sources of ignition (no smoking), heat sources and open flames.

Keep out of the sight and reach of children.

Dispose of large quantities of unused wipes responsibly and according to local requirements.

Report any safety concerns to Alliance Pharmaceuticals Limited (tel: +44(0) 1249 466 966, email: pharmacovigilance@alliancepharma.co.uk).

Storage: Store in a cool dry place, below 25°C.

Expiry date, batch code & UDI carrier printed on the base of the carton.
