clearway mini®

stoma bridge

clearway® are foam cubes which prevent the front and back of an ostomy pouch from sticking together.

Instructions for use:

- Prior to applying a new pouch take two cubes of clearway*. Pinch the cubes to aid removal of the release paper which will reveal the adhesive.
- first and attach to either side of the opening. Take care not to obstruct the pouch filter.
- In the correct position, the plastic films that form the pouch will remain separated.
- 4. Apply your pouch as normal.
- clearway® can not be reused and should be disposed of with the pouch in the usual way.

Warnings and precautions:

Report any safety concerns to Alliance Pharmaceuticals Limited (tel: +44(0) 1249 466 966, email: pharmacovigilance@alliancepharma.co.uk). Keep out of the sight and reach of children.
